Emy,

I have not located any additional information regarding public notices being issued for the five-year review.

Please contact me with any questions or comments.

Thanks,

Brian

Hi Emy,

No public notices were issued by us. I don't think any of the previous 5-year reviews ever issued a public notice of any kind, either.

Cheers, Fredrick

Subject: Question on public notice of Martin Marietta 5YR

Hello Frederick and Brian,

I am working on the CERCLA Five-Year review for the Martin Marietta Site. I understand that ARCADIS submitted a draft review in April 2010 to ODEQ and that ODEQ then submitted a revised draft to EPA in September 2011. Can you verify if your groups issued a public notice of the start of a five year review at this Site? It could have been in the form of a newspaper ad or mailing.

Thank You,
Emy
